

Ginger B. Keys

gkeys@basecampcodingacademy.org · Magee, MS · 601.382.5384

Portfolio: <https://ginggk.github.io/> Github: <https://github.com/ginggk>

EDUCATION **Software Development Curriculum**, Base Camp Coding Academy, *expected graduation May 2019*
Magee High School, May 22nd, 2018

TECHNICAL **Mario Kart Selection**, Base Camp Coding Academy, January 2019

EXPERIENCE Goal: Replicate the Mario Kart Selection Screen

Live Demo: <https://ginggk.github.io/mario-selection/>

- Updated racer selection on hover via JavaScript event listeners
- Leveraged HTML Data Attributes to simplify racer selection code
- Styled selected racer thumbnail via the :hover CSS pseudoclass
- Preloaded racer images via JavaScript on page load to minimize lag during racer selection
- Animated selected racer's name with CSS Animations
- Implemented racer selection thumbnails layout with CSS Flexbox

Portfolio Builder and Template Recreation, Base Camp Coding Academy, March 2019

Goal: Make a application that takes in a user's information and displays it in a custom website to download.

Live Demo: <https://website-maker.herokuapp.com/>

- Generated zip archive containing customized portfolio based on form data
- Recreated online portfolio template (<https://html5up.net/read-only>) from scratch with CSS Flexbox
- Parameterized static template with Django template language
- Added preview feature allowing users to view their website without downloading the zip archive

Job Board Website, Base Camp Coding Academy, April 2019

Goal: Make a Base Camp themed application where employers can submit job postings

Github Link: <https://github.com/ginggk/employer-postings>

- Allowed employers to post new jobs to the website
- Allowed users to comment on job postings
- Allowed admin to delete posts and comments
- Displayed job postings sorted by alphabetical order, newest to oldest, or oldest to newest
- Used Bootstrap and provided images to theme website

WORK **Cashier, Popeyes Louisiana Kitchen**

EXPERIENCE Magee, MS, September 2016 to May 2018

- Helped customers by proactively checking in and seeing that they had everything they needed.
- Aided other employees to better improve our duties and how we worked.
- Collaborated to keep everything stocked and cleaned to the standard.

Job Shadowing, Morgan White Group

Ridgeland, Ms, March 2019 (1 week)

- Wrote C# for a ticket that auto fills a excel sheet with a client's information.
- Collaborated with team members to finish other tickets.
- Learned about the inner workings of Morgan White Group.
